Inspiring Futures : Informing Careers

Healthcare Support Workers
Development Opportunities

Are you ready?...

...to take the next step and get a qualification
to support the work you do?

The new national standards are now available for a Senior Healthcare Support Worker Advanced Apprenticeship.

ULHT are delighted to announce the new apprenticeship programme above is now available for clinical support staff (current band 2 and 3 colleagues).

The Senior Healthcare Support Worker qualification is made up of a core or mandatory modules and a range of 6 optional units. The qualification can support staff within the following areas:

- Adult Nursing
- Maternity
- Theatres
- Mental Health
- Allied Health.

On successful completion of this study programme, you will achieve:

- RQF (regulated qualification framework) Diploma in Clinical Healthcare support at level 3 (65 credit diploma with specialist pathway).

The Senior Healthcare Support Worker qualification forms part of ULHT's Nursing Workforce Development Pathway, designed to support progression towards Registered Nurse Status.
