

# NATIONAL SCIENCE WEEK

## CHALLENGE

### Project Outline...

The Talent Academy invites year 10-13 students to complete a project: **to design an interactive game or model to promote the 'Diverse Range of Careers' available across the health and care sector.** The winning project will be produced for use at workshops, careers fairs and exhibitions.

### The Talent Academy

The NHS Talent Academy is an umbrella body made up of health and care organisations within the county. The academy provides careers support and guidance to schools/colleges across Lincolnshire

### The Winning Team...

This is a countywide challenge and only one team can win.

All concepts and designs submitted will be reviewed by a selected panel, who will choose the winning project

The school representing the winning team will be awarded up to £250 to bring their winning design to life.
